Following check in, there is time to relax and unwind before our welcome dinner at the stunning “borgo” of Polignano a Mare.

DAY 2 THE VALLE D'ITRIA

Following a buffet breakfast, we drive to magical Alberobello - a World Heritage site. Our guide will share the many stories about this unique town.

Lunch is an event in itself where we will savour local specialty foods and local wines.

Later we visit a local winery and return to our hotel to unwind and enjoy dinner on our own.

DAY 3 ASTONISHING MATERA

Today we slip across the border into Basilicata where we explore the UNESCO World Heritage town of Matera. Its history and the stunning sassi will leave you speechless. It is the most outstanding intact example of a troglodyte settlement in the Mediterranean region.

DAY 4 BRINDISI AND GRIKO SALENTO

Today we say goodbye to Polignano a Mare and travel south to discover Griko Salento. Here you are treated to another unique experience. We will stay at a traditional Masseria and meet and talk with locals and experience their way of life. We stop first Ostuni, the White City before going to Brindisi for a passeggiata along the waterfront following visits to archeological sites and Mariana's favorite church. We enjoy an exquisite pranzo and taste a variety of wines before continuing our journey to the Griko village of Sternatia where we settle into our rooms at the Masseria. There is plenty of time to explore the property and to enjoy the pool and relax before dinner.

DAY 5 DISCOVERING COASTAL TOWNS ALONG THE ADRIATIC

Today we visit the beautiful southeastern part of the heel. First is the seaside jewel of Otranto. We explore the historic town and the Cathedral with its renown medieval mosaic floor, The Tree of Life. A drive along the coast for a seaside lunch in Castro begins with a stop at the easternmost point in Italy. We stop in Santa Maria de Lucca and Gagliana after lunch. We discover our bread baking skills back at the Masseria and enjoy a wonderful dinner with local wines and great conversation, and marvel at the loaves we have baked.

DAY 6 THE AUTHENTIC SOUTHWEST

Today we bid farewell to our Masseria and explore the west coast of the Salento. Here we experience the mingling of Greek and Roman cultures. We pay a visit to the 3rd most important basilica in Italy - Santa Caterina. The frescoes are breathtaking and the pasticciotto delicious! We learn about the mystical and magical ceremonies of Tarantismo and take a passeggiata through Nardo. After lunch and a visit to the Jewish Museum, we arrive in Lecce. Later we enjoy a typical cena Lecce.

DAY 7 LECCE

Our very special local guide takes us through the old town where we discover all that has inspired artists over the centuries. A passeggiata through Old Town Lecce is a journey into the Baroque with its churches and palazzos, and a surprising Roman amphitheater in the heart of the city. We tour the Castello Carlo V, Teatro Romano, and discover the art of cartapesta. There is time before dinner for shopping and exploring.

DAY 8 LECCE & CHEESE TASTING

We sample and learn all about the cheese produced from cows, sheep and goats. We also sample a variety of olive oils and will enjoy a tour of the property and a lovely lunch at Francesca's Masseria. The afternoon free for shopping and visiting museums of interest. Dinner is on your own.
